

Tax Credit Information

The Canadian Government encourages charitable giving by providing a tax credit for charitable gifts to registered charities. Vancouver Rape Relief is registered with the Canada Revenue agency. We have been incorporated since 1975. Our charitable tax number is: 119282143RR0001.

Unclaimed charitable donations can be carried forward for up to five years.

The **first \$200** of a donation is eligible for a **20.06%** tax credit, everything after the first \$200 is eligible for a **43.7%** tax credit. This applies to all donations made to registered charities in Canada, for example:

Donation to Rape Relief - \$300

Donation to ABC charity - \$300

Donation to LMN charity - \$300

Donation to XYZ Charity - \$100

Total gifts made to registered charities in Canada is \$1000. Your tax calculation would be as follows:

First \$200	$\$200 \times 20.06\%$	\$40.12
Balance \$800	$\$800 \times 43.7\%$	\$349.60
Total eligible amount for tax credit		\$389.72

We encourage you to consult a financial professional in order to determine your specific tax situation.
